enjoy it with all your senses

STYLISH IDYLL IN CENTRAL LOCATION

It's easy to feel good at the Pullman Aachen Quellenhof. Its location in spa gardens alone guarantees calm – and in the heart of the city at that. Nature is beautifully orchestrated here. All the green spaces in the complex are elaborately designed. Practical: all the charms of Aachen are located right on the hotel's doorstep, enticing guests to enjoy a wander through the city's old town.

A SOURCE OF INSPIRATION

The hotel is much more than an ideal starting point for getting to know the city. You can begin amazing tours of discovery within the complex itself, e.g. in the Asian-inspired Fit and Spa Lounge with its unique light/water concept. If you want to enjoy the style of colonial times, the Elephant Bar is the place for you.

ELEGANCE MEETS COMFORT – A PLACE OF RETREAT WHERE YOU CAN FEEL AT PEACE

Both elegant and inviting: the interior of the Pullman Aachen Quellenhof welcomes guests with its distinctive style and subtly elegant furnishings. 183 rooms and suites with furniture and accessories made especially for the Quellenhof emphasise the unique character of the hotel. Warm, subtle colours and fine materials create a pleasantly homely atmosphere.

CONNECTIVITY BY PULLMAN

Wi-Fi available everywhere free of charge at all times, glass fibre technology and a Connectivity Lounge equipped with high-tech equipment by Samsung and Microsoft Interface enable you to stay in touch at all times, whether for private or business purposes.

**FIT AND SPA LOUNGE:
A FEEL-GOOD WORLD SPREAD
ACROSS 900 sq. m**

If you want to spoil your body and soul, you'll find the best conditions to do so in the 900 sq. m Fit and Spa Lounge: an indoor pool, biosauna, Finnish sauna, steam room, ice grotto and a quiet zone and fitness room are available here. Only high-quality BABOR products are used for the feel-good facial and body treatments.

GASTRONOMY: CREATIVE AND SOPHISTICATED

In the "La Brasserie" restaurant, which is flooded with natural light, the kitchen team spoils guests with seasonal, regional and creative specialities. In summer, these are also served on the spacious sun terrace with a view of the spa park. If you want to enjoy a drink in a special atmosphere, go to the "Elephant Bar", where the fine wood, comfortable armchairs and stylish décor invite guests to linger for a while.

THE BEST OPTIONS FOR ANY KIND OF EVENT

With lots of natural light, high ceilings and a stylish atmosphere, the three fine dining and 13 air-conditioned event rooms offer optimal conditions for private celebrations. Whether a wedding, birthdays or anniversaries - individual offers, personalised advice and first-rate service are a matter of course. In summer, the impressive terrace is available for cocktail receptions or a relaxed get-together.
