NEW ATTITUDE HOTELS BY ACCOR

Pullman: The premium partner for your meetings

As a premium brand in the Accor Group, Pullman Hotels & Resorts offer an upscale hotel concept for the conference and meeting sector. Designed with the needs of business travellers in mind, they provide an innovative range of services and state-of-the-art amenities. Above all, Pullman creates a fine balance between wellbeing and high quality. Here, discerning travellers can relax in comfort and privacy, while benefiting from an ideal location for efficient work and successful conferences.

Catch your breath and start afresh – “Innovative Breaks”

Imaginative break design can be vital to the success of your conference. Short breaks are often exactly what attendees need to boost their commitment and motivation. This is why Pullman has developed a new “Innovative Breaks” concept that offers an array of creative ways for you to customize your meeting breaks. Each Pullman Hotel offers a programme of break highlights, such as a “safari” through Berlin in nostalgic Trabant cars or abseiling during a coffee break in Dortmund.
