STYLISH ELEGANCE IN A CENTRAL LOCATION

This establishment proves that peace and quiet and a central location are not mutually exclusive. Situated right in the heart of Cologne's city centre, the Pullman Cologne is just a short distance from everything the city is famous for, including the cathedral, Rhine and old town. In the hotel itself, the energy of the city is transformed into a relaxed atmosphere of well-being.

SPECTACULAR PANORAMIC VIEWS

With its spacious and elegant flair, the hotel provides a stylish space for creative development and exciting encounters. Those who are on the lookout for superior views will find themselves in the right place in the LAB12 Bar on the 12th floor: the view here reaches far beyond the rooftops of Cologne. A glass external lift is just one of its many visually striking distinguishing features. There are many such eye-catching elements to enjoy at the Pullman Cologne.

COMPLETE COMFORT

Reserved elegance and fascinating far-reaching views provide lots of space for inspiration. The Pullman Cologne offers 265 Superior and Deluxe rooms as well as 10 suites, 90 of which offer breathtaking views of Cologne cathedral. Comfortable bathrooms with plenty of daylight also contribute to a relaxed feel-good atmosphere.

CONNECTIVITY BY PULLMAN

Wi-Fi available everywhere free of charge at all times, glass fibre technology and a Connectivity Lounge equipped with high-tech equipment by Samsung and Microsoft Interface enable you to stay in touch at all times, whether for private or business purposes.

ACTIVITY AREA AND RELAXATION ZONE

Guests looking for peace and quiet can choose from the relaxation area, sauna, steam room and sun terrace. If you want to be a bit more active, you can use the Fit Lounge with modern Technogym equipment or book a short-notice appointment with a personal trainer. Various spa and beauty treatments are also available on request.

GASTRONOMY: CREATIVE AND MODERN

Guests can experience modern city flair at LAB12: casual vintage design, trendy music and unique cocktails with a seductive scent. The panoramic location on the 12th floor also offers many far-reaching views over Cologne. For those who prefer somewhere more traditional, there is the e.l.f. brasserie that serves local Cologne specialities and selected wines. These can also be served on the summer terrace if the weather is good.

STYLISH MEETINGS OR CELEBRATIONS

From a small meeting to a festive gala: the Pullman Cologne offers the perfect space for any kind of event. Up to 1,000 guests can be welcomed in a total of 16 air-conditioned rooms. Individual management of your event ensures that your congress or conference will run seamlessly and successfully: a Pullman Event Manager will be at your side from start to finish.
